**NEXT**

**Nathan Noseblow has a cold.**

**BACK**

**2**

**NEXT**

**He's got a runny nose  
and he keeps sneezing.**

**BACK**

**3**

**NEXT**

**Oh dear, Nathan is about to sneeze...**

**BACK**

**4**

**NEXT**

**Sneezes happen very fast  
so let's slow one down.**

NEXT

**Sneezes happen very fast  
so let's slow one down.**

**BACK**

**5**

**NEXT**

**Nathan didn't use a tissue when he sneezed.**

  
**BACK**

**6**

  
**NEXT**

**There are now millions of germs in the air. If someone breathes them in they could catch a cold.**

  
**BACK**

**7**

  
**NEXT**

**Now Nathan has a runny nose.**

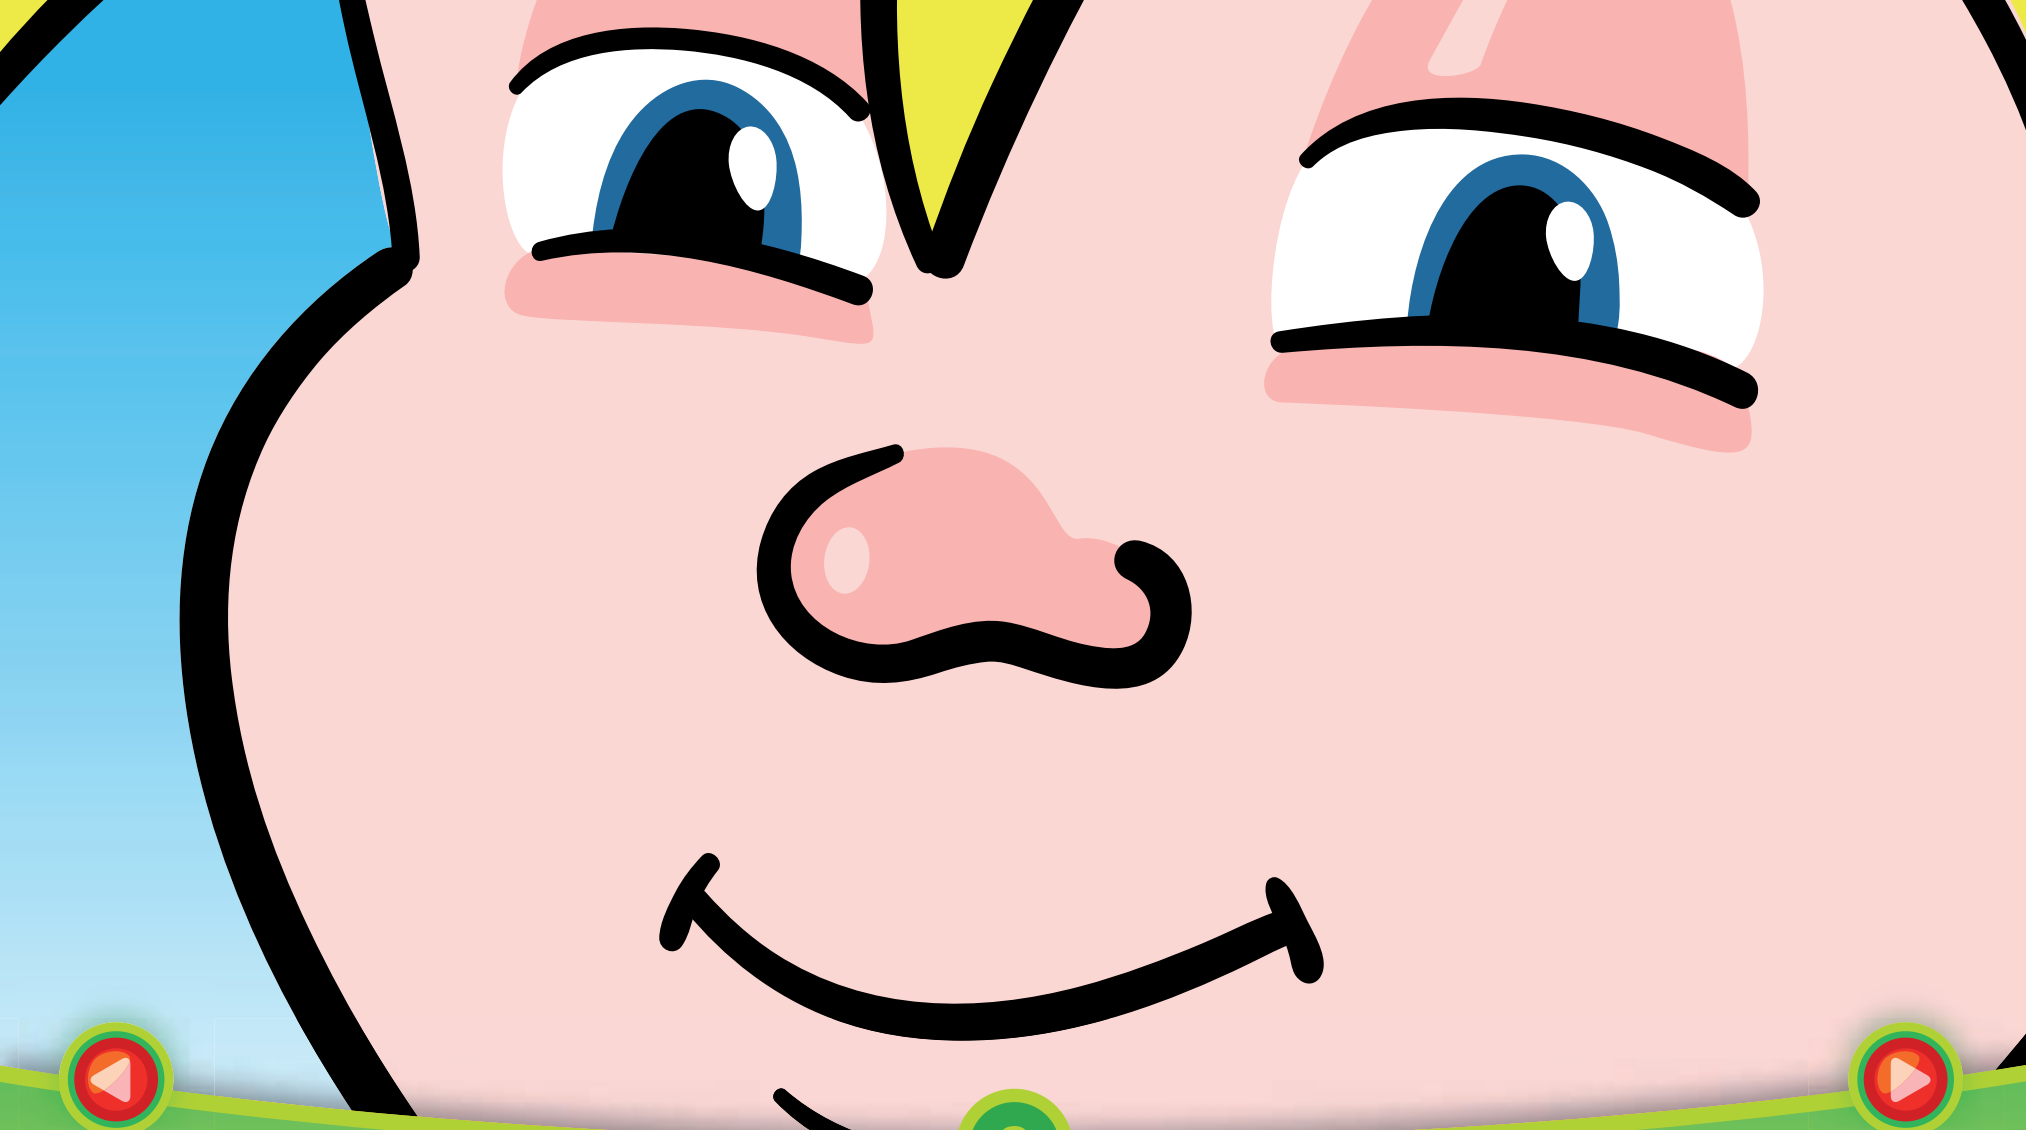

**BACK**

**8**

**NEXT**

**There are tiny germs dribbling out of Nathan's nose. What will he do?**

**BACK**

**NEXT**

**There are tiny germs dribbling out of Nathan's nose. What will he do?**

**BACK**

**9**

**NEXT**

**Nathan has sniffed but that's not good.  
The germs will just come out again!**

**BACK**

**10**

**NEXT**

**What's Nathan going to do now?  
Oh dear, he's wiping his nose on his sleeve.**

**BACK**

**NEXT**

**That's not a good thing to do.  
Nathan's sleeve now has germs on it.**

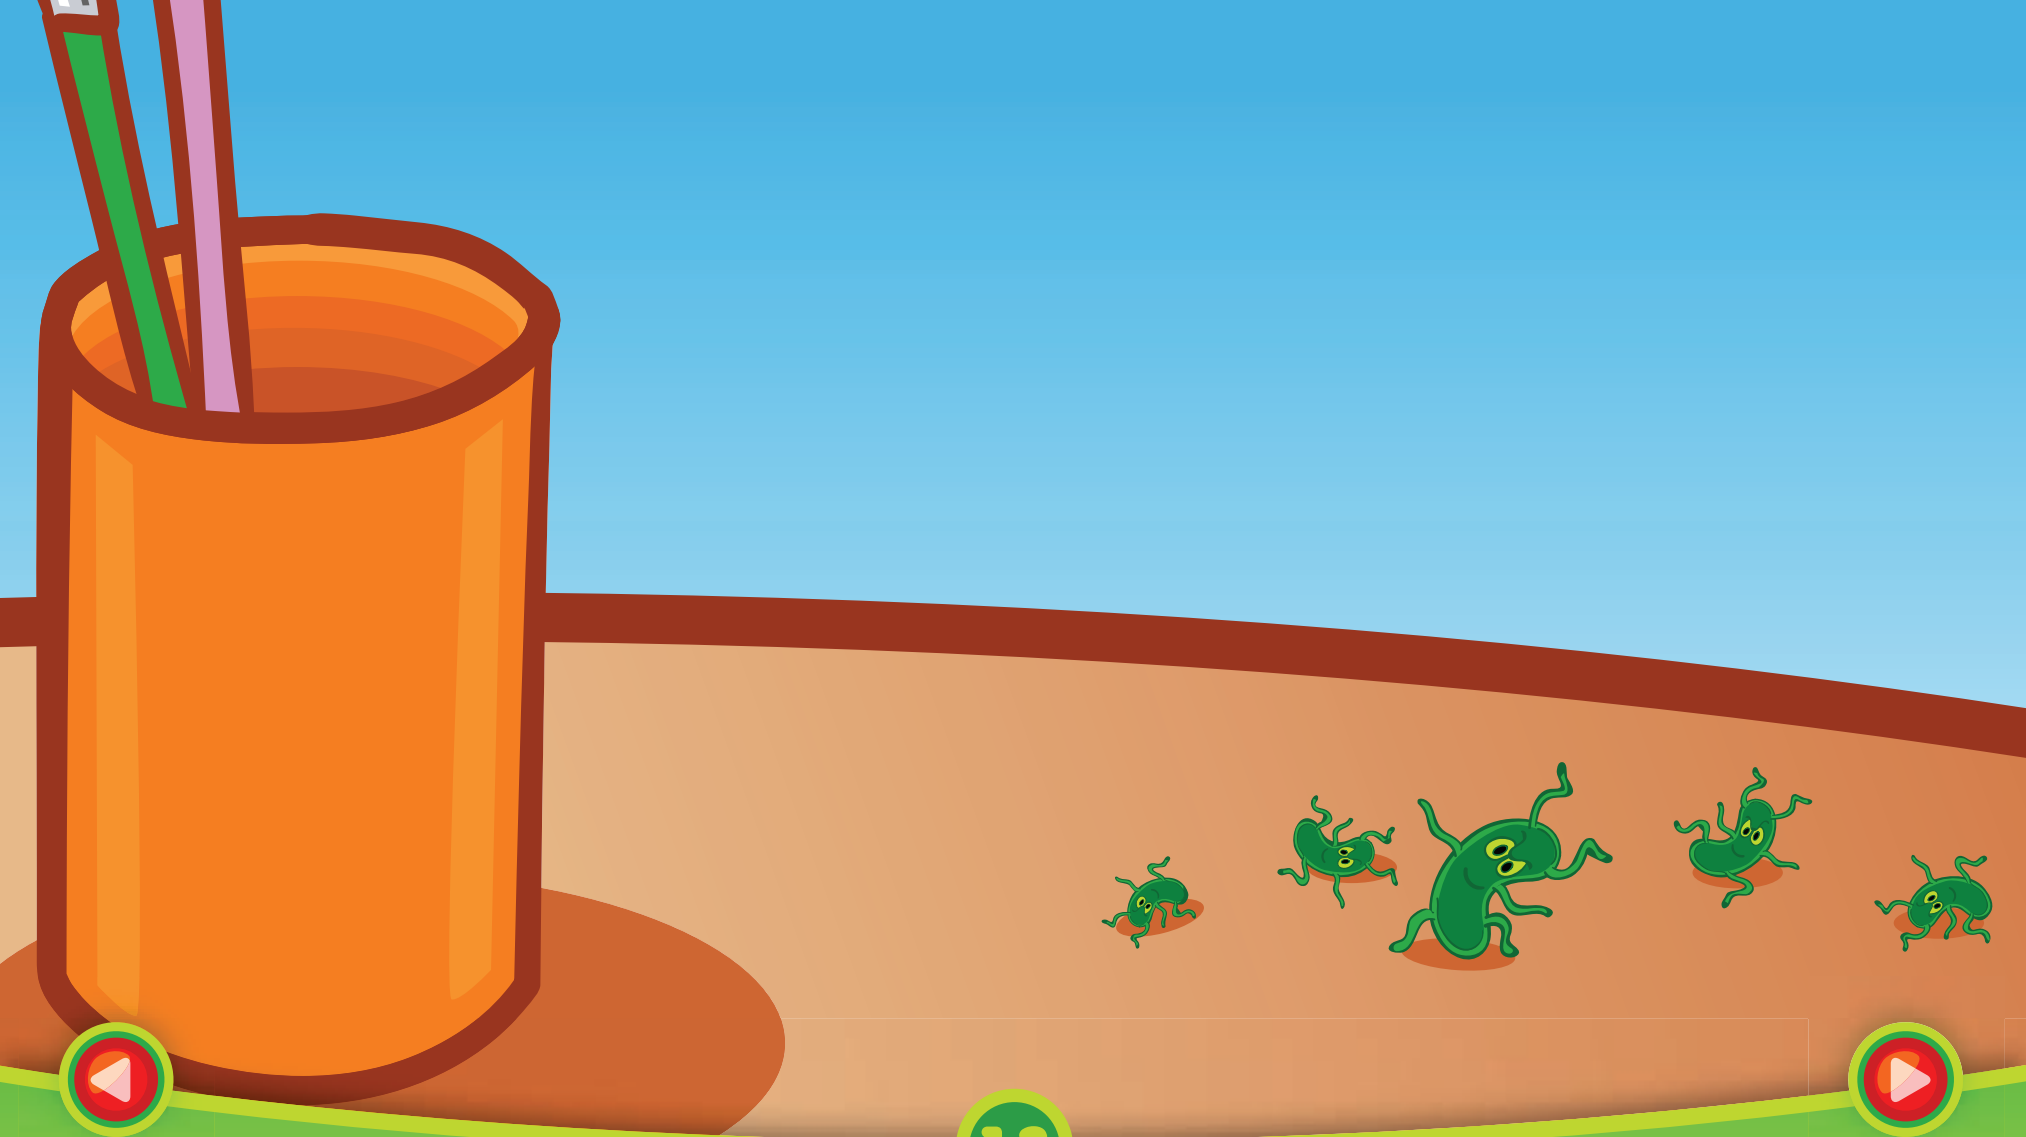

**BACK**

**12**

**NEXT**

**Oh no, the germs have gone onto the desk.**

**BACK**

**13**

**NEXT**

**If someone touches the desk and then puts their fingers in their mouth, they could catch Nathan's cold.**

**BACK**

**14**

**NEXT**

**He should have blown his nose  
with a tissue.**

**BACK**

**15**

**NEXT**

**Oh dear, Nathan is now going to cough.**

**cough!**

**BACK**

**15**

**NEXT**

**Oh dear, Nathan is now going to cough.**

**BACK**

**16**

**NEXT**

**He puts his hand over his mouth to try to stop more germs going into the air, but...**

**BACK**

**17**

**NEXT**

**...now there are germs on Nathan's hand!**

  
**BACK**

**18**

  
**NEXT**

**And now he's borrowed Suki's pencil without washing his hands first! The germs have got onto her pencil.**

**Where's  
my pencil?**

**BACK**

**19**

**NEXT**

**He should have used a tissue to cover his mouth.  
Here's Suki now – she wants her pencil.**

BACK

20

NEXT

**Oh dear, Suki is breathing in the germs in the air... now she's touching the table... and she's picking up the pencil.**

**I'm sorry.**

**BACK**

**21**

**Guess what? Suki has caught Nathan's cold. Now she's not feeling well, and she's not happy.**
